# Introduction

Heritage means what we inherit from our ancestors and from our past. It is a person's unique, inherited, ethnic, cultural and national identity.

The heritage of India is the result of developments in the social, economic and cultural changes.

# Why do we need Heritage Clubs?

Heritage Clubs are formed in order to create awareness and sensitize students and their family members towards the cause of heritage conservation.

# INTEC

The 'Indian National Trust for Art and Cultural Heritage' (INTEC) is a non-profit organisation set up in 1984 to involve its members in protecting and conserving India's vast natural, built and cultural heritage.

It is an effort to bring like-minded students together to create awareness and sensitize others towards the cause of heritage conservation.

# Aims and Objectives

1. To understand who and what we are.
2. To take pride in India's cultural identity and diversity.
3. To always remember and conserve our past so as to create a better future.
4. To give an exciting dimension to learning.
5. To create awareness and a sense of belonging in the students and inculcate a feeling for their heritage.

# Activities

1. Trace and write about the history and traditions of their family or their native place.

2. Traditional recipes may be collected by the students from their parents and grandparents and they could explain the importance of the recipes and their relevance to certain occasions like festivals or seasons.

In order to encourage students to trace and understand historical change through this.

3. 3-D MODELS of famous monuments.

4. Making objects like sword, tank with paper mache .

5. Project of 5 famous monuments from Maharashtra by pasting its cut out from any magazine, news paper ect and writing its name and little bit of information on A4 sheets one paper for each monument.

6. Tracing old coins with pencil.

# Note

A group of students from each class will be selected as members of club in consultation with their class teacher. The activities will then be distributed among those students.
