National Reading Day is an annual event celebrated on June 19th to promote the importance of reading and its positive impact on individuals and society. On this day, we honor the contributions of P N Panicker, an influential figure in India's literacy movement. Panicker's pioneering efforts in promoting literacy and establishing the first library movement in Kerala have left an indelible mark on the nation's educational landscape.

To highlight the importance of reading in our school, **DEAR** (Drop everything and read) activity will be conducted in zero period. Everyone will drop all their routine work and dedicate the time for extra Reading. The DEAR activity is conducted repeatedly, to instill a reading habit in students.

Furthermore, to promote reading amongst the students, the Board is planning to attempt the Guinness World Record for "the most children reading at one time" on 19th June 2024. This activity will be done on the CBSE online technology platform "CBSE Reading App".

This app is thoughtfully curated to align with the objectives of the National Education Policy (NEP), focusing on nurturing higher-order skills such as creativity, critical thinking, problem-solving, visualization and idea generation. The app contains the reading material from classes Nursery to Grade VIII in Hindi and English.

Steps to Download and Access the **CBSE Reading App**:

1. Go to your device's App Store or Play Store.
2. Search for "CBSE Reading App by Freedom" in the search bar.
3. Install the app on your device.
4. Once the installation is complete, open the app.
